

positive about BREASTFEEDING

Public Health Somerset, Somerset County Council, have
awarded

Frown Town Council

Somerset's 'Positive about Breastfeeding' award

They have made a significant commitment to improve health while upholding the rights of mothers and families by supporting their choice to feed their baby how and wherever they choose

- ❑ Babies can be breastfed anywhere in any public area
- ❑ A breastfeeding policy will be implemented
- ❑ Information is visible raising the awareness scheme

*For further information on the scheme and for updated lists
of premises already committed, please visit:*
